Dear Mr. Gries:

In response to your recent request for FBI briefing materials to prepare William H. Webster, Director of Central Intelligence (DCI), for the October 8, 1987 public hearing on defector handling by the Senate Committee on Governmental Affairs, Permanent Subcommittee on Investigations (PSI), I am enclosing documents as follows:

- 1) DCI directive regarding United States defector programs, dated January 28, 1984.
- 2) Public source information concerning FBI policy on defectors, dated December 3, 1986, (unclassified).
- 3) A question and answer utilized in preparing Director Webster for a previous briefing concerning FBI defector handling responsibilities.
- 4) Section 105-3.2 of Part I of the Federal Bureau of Investigation Foreign Counterintelligence Manual titled Defectors and Redefectors.

It is my understanding, these materials should refresh Judge Webster's memory of the FBI's role in handling defectors.
